Parent Handbook

Spring Session 2022

About Gymworld:

The goal of Gymworld is to provide children with a safe yet exciting opportunity to participate in gymnastics activities. We believe that childhood is a period of life when invaluable foundations are laid: personality and self esteem are fostered and physical and mental abilities are developed. Gymnastics is unsurpassed in its ability to develop strength, flexibility, balance and co-ordination as well as concentration, persistence, social skills and self-discipline, all of which form a strong foundation for lifelong activity, health and success.

Important Information:

Gymnasts

- gymnasts must wear their gymnastics clothes to the facility. Changerooms are unavailable at this time
- girls should wear a body suit or shorts and a T-shirt (tucked in)
- boys should wear shorts and a T-shirt (tucked in)
- bare feet are required
- long hair must be tied back
- **gymnasts must be screened for COVID-19 symptoms before attending class. We ask that you submit a screening form for each child before bringing them into the facility to confirm their ability to participate. See the "COVID-19 Protocols" section for more information.**

They must also be within arm's reach and be directly interacting with their child for the duration of the class. **Additional spectators are not permitted in the facility at this time.**
- you may speak with your child's coach before or after class, or at a time that is convenient for you both (you may also leave a message for him/her at the main office)
- there will be NO make-up classes

RELEVANT CLASS INFORMATION

Tumble Tots & Kindergym Children – Parent Participation

Children in our Tumble Tots and Kindergym classes *must* be accompanied by a parent/guardian in the gym. This applies to our Tumble Tots (2 & under) and Kindergym (3 & 4 years) classes, as well as children in that age range participating in Family Bubble classes. The parent/guardian's role is to assist with social distancing measures and provide hands-on assistance to children on the apparatus. Additional spectators are not permitted.

Junior Jumpers

Our new “Junior Jumpers” classes are for children who are 4 & 5 years of age. These classes have replaced the previously termed “Little Hoppers” classes, with the only difference being that spectators (parents/guardians) will not be permitted inside the building. The program is drop-off/pick-up only. For those 4-year-olds who are not yet comfortable with that level of independence or who may require a little extra help on the gymnastics equipment or with social distancing, we invite you to register them in our enhanced Kindergym program (see above) which will now include both 3 and 4 year-olds, participating with a parent/guardian.

No Spectator Policy – (UPDATED NOVEMBER 14, 2021)

At this time, *no spectators* are permitted for any of our classes. Thanks in advance for your understanding.

Class Duration

Our classes durations will change for most programs except Stay & Play, Tumble Tots and Kindergym. Those three programs will remain 45 minutes in length. Junior Jumpers, Future Flyers, Gym Stars and Senior classes will go back to the pre-covid 60 minute schedule. In addition, our Gems program will move to 2 hours, 4 hours, 6 hours and 9 hours per week, depending on the class type. Please refer to the class descriptions when registering for clarification.

FEE POLICIES

The following fees are based on an eight-week session of gymnastics. There will be no regular classes on **Monday, May 23rd (Victoria Day)**. All fees are subject to HST.

Spots can now be held, pending payment, for up to 10 days following registration. On day 7, an email reminder will be sent. If payment is not received or payment arrangements are not made through the office by the 10th day after registration, the held spots will be removed from the respective class or camp. If that happens, an additional email will be sent as notice that those spots have been deleted.

**A Gymnastics Ontario (G.O.) / Annual Membership Fee of \$40 + HST applies to all children registered in any of our programs. Each child in our program must be registered with Gymnastics Ontario for insurance and administrative purposes. This membership fee covers each child's registration from the day they begin programs until June 30, 2022. Children who attended our Summer 2021 or Fall 2021 Mini-Session classes or are currently enrolled in our Winter 2022 classes have already paid this fee for their 2021-2022 season. This fee is non-refundable.

****Financing options are available for our advanced Gems classes. Please inquire through the office.

Refund Policy:

If, before the first class date, we are notified that a gymnast is withdrawing from their program, a full “fee” refund will be issued. If requested on or after the first class date, a pro-rated “fee” refund will be issued. The refund deadline is May 22nd.

Pro-rated refunds that are requested prior to the deadline will be issued and will be calculated based on the number of classes that had taken place prior to the request being made, regardless of the child’s attendance in those classes.

If, after the session has begun, a request is made to switch classes to another day or time for any reason, that request will be subject to availability in the requested class.

COVID-19 PROTOCOLS

Please read through these protocols carefully, as compliance is mandatory. You will also be required to accept a declaration of compliance and assumption of risk waiver upon registration, indicating agreement by you and/or your child to abide by these policies. Please also note that COVID-19 protocols will change as government, health unit and our gymnastics regulating body mandates change and that we will follow all mandated protocols. Starting May 2, children will be permitted to remove their masks while on the equipment, if they so choose, although masks may still be required for entry, transitions and exit. If mask mandates end before or during the spring session, mask wearing will become optional within the facility. As changes in mandates occur, we will do our best to clearly communicate those changes via FaceBook and Instagram posts as well as via email and website updates.

Vaccination Policy (UPDATED FEBRUARY 27, 2022)

The government of Ontario, along with the Middlesex London Health Unit, has removed the vaccine mandate for indoor sports and recreation facilities beginning March 1. At that time, we will no longer be asking for proof of vaccination for participants 12+, or parents/guardians participating with their Tumble Tots or Kindergym children.

Drop Off & Pick Up Procedures

Children will need to wait outside with a parent/guardian until a coach calls them in one-by-one, 5-10 minutes prior to class. The doors to the facility will be otherwise locked, so please make sure to arrive on time for class.

Similarly, to exit, children will be let out of the building one-at-a-time at the end of class. It is expected that parents/guardians come out to meet their child and bring them to their vehicle. For safety reasons, children will not be let out of the building until the coach can clearly see the child’s parent/guardian ready to receive them. Children will only be released to those designated with permission to pick-up. *Please arrive on time for pick-up.*

Pre-Class Screening

To ensure no participants show symptoms of the COVID-19 virus, we ask that everyone entering the facility complete a pre-screening questionnaire. **This form is available [here](#), on our website (top left tab “COVID Form”), or as a hard copy or scanned QR code upon arrival at the facility.** We ask that you complete one form for each participant prior to each class. *Please do not send your child to class if they are showing symptoms of COVID-19.*

Mask Protocols

All children are required to wear a mask to enter and exit the facility, and to use the washrooms. They will not be required to wear a mask for the spring session while participating in the gym but it will be allowed, should they feel more comfortable wearing one. At this point, all coaches will wear a mask and all parents/guardians must wear a mask while in the facility, including when assisting a child in the gym during a Tumble Tots or Kindergym class. We will update members via email with any changes to our mask policy.

Social Distancing Protocols

Everyone in the gym must adhere to social distancing protocols (with the exception of parents/guardians assisting their children during a Tumble Tots or Kindergym class). **This means that coaches will not be spotting gymnasts or providing 'hands-on' assistance until that mandate is lifted.**

Hygiene Protocols

- Children will be asked to sanitize their hands between each rotation
- To limit the use of washrooms, please ensure your child is dressed and ready for gymnastics *before* arrival

Cleaning Protocols

- In accordance with provincial and local regulations, equipment and gym spaces will be frequently cleaned/disinfected, especially high-touch and high-traffic areas (i.e. washrooms, door handles)
- The facility will be thoroughly cleaned and sanitized at the end of each day

Special Needs Policy (Updated November 13, 2021)

Gymworld Inc. is committed to providing an inclusive program for all children from eighteen months of age and up. Children with special needs are welcome to participate in our programs provided we can offer a safe environment for their particular special need.

Regardless of the level of integration (from fully integrated to requiring 1-on-1 support) it is imperative that we receive full disclosure from the family regarding the precise nature of the special need **prior to registration**. An additional form may be required to be completed by the parent or guardian of the child. For children with Down's Syndrome, a cervical x-ray must be completed and the results must be negative in order to participate. All children participating in our programs must be able to go to the bathroom independently or have their own support provided in the event that they need to use our bathroom facilities. Gymworld staff are not trained nor licensed to toilet children. Please refer to the following guidelines for children who require 1-on-1 assistance in the gym:

Due to social distancing measures, Gymworld staff **cannot** provide one-on-one support to children with special needs at this time. We continue to welcome any child needing one-on-one assistance to participate in our programs, so long as they can provide their own support person (i.e. parent/guardian) and with that support are able to maintain social distance with other gymnasts. Please email info@gymworld.ca to arrange this accommodation.

FAQs

1. Is there a spot to put coats and shoes?

Upon arrival, children (and participating adults) will be asked to remove their shoes and place them on a shelf by the gym door. Coats may also be placed on these shelves or hung on hooks by the front door.

2. Should my child bring a water bottle?

There are no drinking fountains in the facility, and our vending machine will be closed. We suggest that children bring a full water bottle, which they will need to carry with them to each gym rotation. *Only water is permitted in the gym.*

3. What happens if my child misses a class?

Unfortunately, there are no make-up days for missed classes. If classes are cancelled due to weather, a COVID outbreak, or any other unforeseeable event, we will update our website at www.gymworld.ca as well as our phone message and social media accounts. In the event of a closure or shutdown, we will make every effort to either make programming available online or to delay the remainder of the session until re-opening is permitted.

Please do not bring your child to gymnastics if they are showing symptoms of the COVID-19 virus.
